TENDER NOTICE

Design and Construction of RTG and Spreader Maintenance station

HAMBANTOTA INTERNATIONAL PORT GROUP (PRIVATE) LIMITED (HIPG) invites sealed tenders from suitably qualified parties for the **Design and Construction of RTG and Spreader Maintenance station**

The project involves the development of a dedicated RTG and Spreader Maintenance Station to improve equipment availability, reduce crane and spreader downtime, streamline maintenance operations, and enhance workshop safety and operational control.

The Works include the **design, approvals, construction, supply, installation, testing, commissioning, and handover** of the RTG and Spreader Maintenance Station, comprising reinforced concrete foundations and a floor slab; the fabrication, erection and protective coating of the structural steel superstructure, including columns, corbels, beams, bracings, base plates, cladding and all associated steelwork; a roofing system comprising purlins, bracing members, angle members and insulated Aluminum-Zinc cladding sheets; the conversion of two (02) containers into office and washroom facilities, complete with furniture; together with all associated civil, structural and finishing works, quality-control testing, as-built drawings.

Tenderers shall submit **lump sum fixed price offers** and shall have:

- Minimum **three (03) years' experience** in similar construction works; and
- Minimum **annual turnover of LKR 20,000,000**.

Local Tenderers shall possess a valid **CIDA Registration for Building Construction with minimum Grade C6 and above**. Foreign Tenderers shall confirm their commitment to obtain temporary CIDA registration as required. **Joint Ventures and Consortiums shall not be accepted**.

A **Pre-Bid Meeting** will be held on **21st August 2026 at 2:00 p.m. (Local Time)** at **Hambantota International Port**. Tender Documents will be issued up to **1:00 p.m. (Local Time) on 28th August 2026**.

Tenders shall be submitted **in hard copies**, in the manner prescribed in the Tender Documents. The deadline for submission of Tenders is **4th September 2026 at 2:00 p.m. (Local Time)**

For further information, please contact Engineering & Technology Management Department.
